PUBLIC NOTICE FOR SIX MONTH BRIDGE COURSE

The Hon'ble Supreme Court of India issued the following directions vide its judgment dated 08.04.2024 in the Miscellaneous Application Dairy No.4303/2024: -

*As it appears that a large number of candidates with B.Ed. degree had already been appointed on the basis of eligibility criteria specified by the educational authorities, we do not think it to be equitable to effect their removal. **We, accordingly hold that the judgment delivered by this Bench on 11th August, 2023 shall have prospective operation.** But prospective operation of this judgment shall be only for those candidates who were appointed without any qualification or conditions imposed by any Court of Law to the effect that their appointment would be subject to final outcome of the case which might have had been instituted by them and such candidates were in regular employment without any disqualification and were appointed in pursuance of a notice of advertisement where B.Ed. was stipulated to be valid qualification. Services of only such candidates shall not be disturbed because of this judgment. **We make it clear that this benefit is only for the candidates who were appointed prior to the date our judgment was delivered, on 11th August, 2023.***

*Mere selection of such candidates or their participation in the process will not entitle them for a benefit under our present order. **Moreover, the candidates having B.Ed. qualification whose appointments we are protecting in this judgment, will have to undergo a bridge course and we direct the educational authorities to devise such course, which would be applicable for each state and union territory, within a period of one year from today.** This course shall be only for those appointees who have been engaged with B.Ed. degree only in the subject-posts under conditions stipulated in the earlier part of this order. **National Council for Teacher Education shall design such course under overall supervision of the Ministry of Education, Union of India.** Upon formulation of such course, the same shall be publicly notified and a timeframe shall also be given within which the respective candidates shall participate therein. Failure of any candidate to participate and complete the course within the timeframe to be given by the concerned educational authorities will invalidate the appointment of such candidate.*

We also make it clear that the directions contained in this order shall not be confined to the applicant state only and shall cover all cases which may be pending in different judicial fora in any State or Union territory on the same point of law. The present application stands disposed of in the above terms.

Pending application(s), if any, shall also stand disposed of."
